

These fabric panels move individually to create shade where needed for Patios, Gardens, Pool side, Restaurant Dining, Interior Skylights

Just to name a few

SLIDE WIRE SUNSHADE SYSTEMS

SLIDE WIRE SUNSHADE SYSTEMS are easy to use and enhance the look of any home or building. They can be used in a variety of applications, it comes fully assembled, including all stainless components, which is very simple: just set the mounting eyelets where diagramed, thread the cable, connect and tighten the stainless steel turnbuckle.

These shade systems can be easily removed for cleaning or storage. Today's ten year warranted fabrics are sewn with TENARA thread to give your sunshades years and years of service.
